

45th Annual Ponderosa Invitational

Championship Meet since 1971

Hosted by Ponderosa Westador Swim Team

For forty-five years the Ponderosa Invitational has been the championship swim meet, the final meeting of the fastest swimmers in summer league swimming, the **'Best of the Best,'** of the Northwest Aquatic League. Making a "PI" time is an accomplishment all swimmers should be proud of. We are excited and ready for the 45th annual Ponderosa Invitational.

Starting in 1971 with only **eight teams**, it represented the first end-of-the-season competition for the recently formed league. The Ponderosa Forest Swim Team was proud to host the inaugural meet in 1971 and remains dedicated to continuing that pioneering spirit by hosting this year's 45th Annual Ponderosa Invitational. NWAL now includes 14,000 swimmers from ninety-six teams representing subdivisions and cities covering the entire Northwest Greater Houston Area and bordering areas as far north as Bryan-College Station.

The 2015 Ponderosa Invitational will be held at the Klein Oak High School Natatorium on June 27 & June 28th and we look forward to seeing you, your parents, coaches and teammates. Over the years, qualifying for the PI is an accomplishment that all swimmers have been proud of. This year, you join the NWAL elite, **'NWAL's BEST'**, by qualifying for the Ponderosa Invitational. Many finalists have continued swimming after graduation and have gone on to represent their Universities, Colleges, and the USA Olympic Teams. One of most exciting and rewarding things however, is to see and hear of the swimmers whose **parents** also swam in this Invitational.

We would like to thank our sponsors and many others for their generous support. We also want to thank all of those Ponderosa and Westador parents, NWAL officials, and parents from around the League who over the years have made this event an annual tradition.

Best of Luck Swimmers!

P.I. RULES and APPROVED NWAL VARIANCES (continued)

SCRATCH POSITION

In preliminary sessions swimmers are considered scratched when they fail to show up at the blocks when their heat is called to step up. In finals, swimmers are considered scratched or "no show" when they fail to appear at the Ready Bench prior to the finalists being paraded from the Ready Bench to the pool deck.

PONDEROSA FINALS PROTOCOL

In both preliminary and final heats, a system will be used to call swimmers to the Ready Bench for each of their events. The system will be clearly audible or visible in the designated swimmer and parent set-up areas.

The Ready Bench will place finalists in their seeded positions without alternates. Finalists whose absence has been communicated to and approved by the Meet Ref for valid emergency reasons and in advance of being called to the Ready Bench are considered to have scratched, alternates will move into the finals and the finalists will be reseeded at the Ready Bench.

If the finals are filled with qualifying finalists, the alternates will be released and at the appropriate time the finalists will be paraded to the blocks.

If after placing finalists in their seeded positions there are open lanes in either final:

1. The Meet Referee or delegate will call the missing finalist(s) by name and instruct the missing finalist(s) to immediately present themselves.
2. If the missing finalist(s) presents himself or herself before the finalists are paraded to the blocks, the finals will proceed with the qualifying finalists.
3. If the finalist(s) does not appear prior to the finalists being paraded to the blocks the Meet Ref or his delegate will fill the finals without reseeding. The fastest swimmer(s) in the consolation final will be inserted into open lanes in the Championship Final. Alternates will be inserted into empty lanes in the Consolation Final.
4. Missing finalists will be disqualified from all remaining events. The Meet Referee in consultation with the Meet Director may waive this disqualification for rare extraordinary circumstances.

ELECTRONIC TIMING

The Colorado Timing System with semi-automatic backup buttons and touch pads will be used in conjunction with an 8-lane time display.

TIMERS AND ORDER OF FINISH

The timing devices used during the meet will determine the order of finish of any heat. In case of malfunction, NWAL protocol will be used.

SCORING

PONDEROSA INVITATIONAL SCORING

Individual Events -- 16 places score -- 19-17-16-15-14-13-12-9-8-7-6-5-4-3-2-1

Relay Events -- 16 places score -- 38-34-32-30-28-26-24-22-18-14-12-10-8-6-4-2

There will be consolation finals and championship finals in all events except relays. Relays will be timed finals as they are swum.

For individual preliminary events, **all ties for placement in finals (including alternates) will require a swim-off** unless swimmers, coaches and referee otherwise determine place. Swim-off will be scheduled within a reasonable time.

Swimmers qualifying and swimming in the consolation finals, swim only to score the points awarded for places nine through sixteen. They cannot score championship finals points, regardless of their times.

P.I. RULES and APPROVED NWAL VARIANCES (continued)

SCORING (continued)

MEDALS, RIBBONS & TROPHIES

MEDALS will be awarded to the first eight (8) places in individual events. Relays will be awarded medals to the first six (6) places.

RIBBONS will be awarded to the ninth (9) through sixteenth (16) place winners in individual events and seventh (7) to twelfth (12) place for relays.

HIGH POINT TROPHY—1st and 2nd place trophies will be awarded to individuals scoring the highest total number of points within each of the age group broken down as follows:
6 & under, 7/8, 9/10, 11/12, 13/14, 15/6, 17/18 (6& under age groups are eligible to score points in 8&under and 10& under events)

TEAM TROPHIES will be awarded to the top three (3) teams in each Group. Groups will be established based on total team entries for 2015PI.

DISQUALIFICATION

Any scratches from the consolation, championship finals and first two alternates (17th and 18th place), must be made to the clerk of course/scorer within thirty (30) minutes following the announcement of the posting of the preliminary results. An undeclared "no show" for the consolation or championship finals will be scratched from the balance of the meet.
